CALL FOR PAPERS

International Conference on Consumer Technology – Pacific (ICCT-Pacific 2025)

March 29-31, 2025 / Matsue, Shimane, Japan.

The 2025 IEEE International Conference on Consumer Technology - Pacific (ICCT-Pacific 2025) will be convened in Matsue City, Shimane, Japan, as the first annual conference hosted by IEEE Consumer Technology Society (CTSoc). ICCT-Pacific 2025 will bring together top professionals from industry, government, and academia in Asia-Pacific region and around the world. The conference theme is "Building Sustainable Society with Consumer Technology". ICCT-Pacific 2025 will provide networking opportunities to share ideas, experiences, and implementations of state-of-the-art consumer technologies with comprehensive and high-quality technical and industry programs of oral/panel presentations, tutorials, industry forums, and keynotes. Authors of selected papers with the highest reviews may be invited to extend their papers into special issues of peer-reviewed journals of CTSoc, IEEE Transactions on Consumer Electronics and IEEE Consumer Electronics Magazine. For the details, please visit the conference website at <https://2025.icct-pacific.org/>.
